About Your Experience

Step into a haven of calm with the Time for You Spa Day with Lunch and Fizz at Rena Spa Leonardo Tower Bridge. You'll enjoy four hours of exclusive spa use, where peaceful surroundings give you the perfect chance to unwind away from the city buzz. Your pampering journey begins with a back cleanse and scrub, followed by a nurturing back massage, a soothing scalp massage and an express facial - each treatment designed to release tension, revive your skin and leave you feeling completely refreshed.

After your treatments, you'll be invited to lean back and relax in the spa's tranquil space before savouring a light lunch and a glass of Prosecco in the hotel's stylish Leo's bar and restaurant. Bathrobes, towels and slippers are provided, so you can simply arrive and allow everything to be taken care of. You'll also receive a £10 retail voucher towards all Ishga beauty products, adding a little extra treat to your day.

Throughout your stay, access to the Relaxation Lounge is available, complete with tea, coffee, biscuits and fresh fruit to keep you comfortable and nourished from start to finish. This experience is the perfect mix of indulgence and calm - a deeply soothing escape that will leave you restored, renewed and ready to face the world again.
